

Manual Block Making Machine

This block making machine is available in two variants — Manual and Vibro. Robust construction and ease of operation are the key features of this machine.

Specifications	Manual **	Vibro
Output per shift *	400 blocks	640 blocks
Cycle hour	25	40
Ramming compaction	Manual	Manual for both
Block ejection	Blocks are stationary, moulds slide down	Blocks are stationary, moulds slide down
Vibrator	NA	Inbuilt 1 hp 1-phase
Number of base plates required	400	640
Dimensions (l x w x h)	1161 x 964 x 1466 mm	1161 x 964 x 1466 mm
Weight (approx.)	225 kg	250 kg

** No power required

* The output and cycle time referred to is for 300 x 200 x 150 mm solid blocks and varies from type to type.
