

SUMO

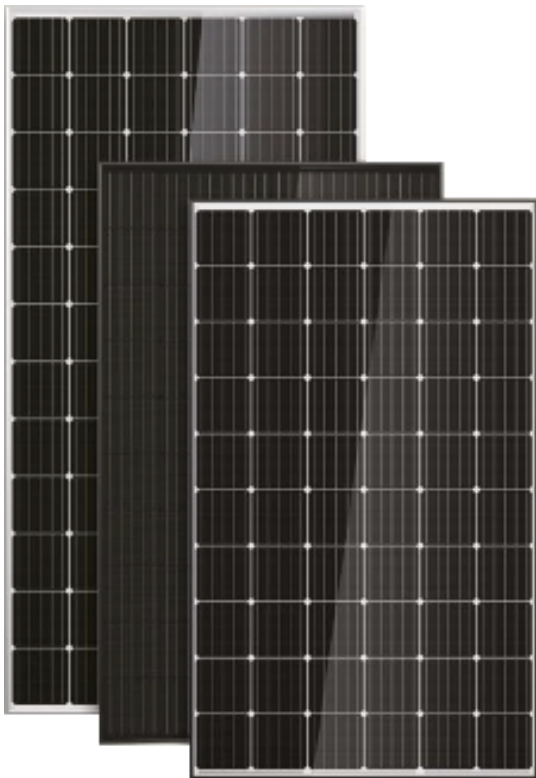

Solar Panels

Monocrystalline and polycrystalline solar modules for grid and off-grid connected systems. Our solar modules are certified to Fire Rating Type-1, IEC61215/61730/61701/62804, UL 1703, CEC for crystalline modules and conform to international standards. They come with a linear power warranty for 25 years with 2.5% for first year degradation and 0.82% for year 2 to 25.

Features

1. High conversion rate.
2. Positive power output guaranteed.
3. Reliability to withstand wind pressure, snow load and temperature variations.
4. 5 years manufacturing defect warranty and performance linear power warranty (2.5% for the 1st year and 0.72% for 2 to 25 years).
5. Rigorous quality control to meet international standards.

Mono Series: 275 Wp — 365 Wp

Performance Warranty
